The board (the “Board”) of directors (the “Directors”) of the Company wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on a preliminary review of the Group’s unaudited consolidated management accounts for the year ended 31 December 2020 and information currently available to the Board, the Group expects to record an unaudited consolidated profit attributable to the Shareholders of not less than HK\$80 million for the year ended 31 December 2020 as compared to the audited consolidated loss attributable to the Shareholders of approximately HK\$6.2 million for the year ended 31 December 2019.

The Board considers that the turnaround from the audited consolidated loss attributable to the Shareholders to an unaudited consolidated profit attributable to the Shareholders is mainly attributable to the following factors:-
